A Petition

Being residents of San Marcos, Texas; valuing our single-family neighborhoods and the natural environment of our city; desiring to protect and forever preserve the unique environment, endangered species, and pristine waters of the San Marcos River; understanding the ecological connection between Sessom Canyon, Sessom Creek, Sink Creek and the San Marcos River; we **oppose any change to the current zoning designation within the area bordered by Sessom Drive, Alamo Street, Chestnut Street, and Holland Street, and we oppose rezoning single family land for Hillside Ranch Phase 2 at Holland and N. LBJ, and rezoning any other single family neighborhoods to apartments in San Marcos.**

Therefore, we the undersigned, urge the members of the San Marcos City Council and the San Marcos Planning and Zoning Commission, to oppose any action that would change the current city zoning designation in the aforementioned area. Additionally, we call on them to declare a moratorium on rezoning for apartment complexes in single family neighborhoods until the new master plan for San Marcos is completed.
